

# SKELETAL RESEARCH CENTER

Case Western Reserve University

Department of Biology

Cleveland, OH 44106-7080

Phone: (216) 368-3562/Fax: (216) 368-4077

## SRC 2009 FALL SEMINAR SERIES

Monday's 4:00 p.m. 123 Millis

- Monday, October 5      **Paul Lin, Graduate Student:** *"The Control of Mesenchymal Stem Cell Delivery by Aortic Injection and Antibody Coating"*. Biology Department, Skeletal Research Center, Case Western Reserve University
- Monday, October 12      **Vance E. Holt III, Graduate Student:** *"A Possible Role for Medullary Adipocytes in Osteoclast Development"*. Biology Department, Skeletal Research Center, Case Western Reserve University
- Monday, October 19      **J. Michael Sorrell, PhD:** *"The Influence of Mesenchymal Stem Cells During Wound Repair"*. Sr. Research Associate; Biology Department, Skeletal Research Center, Case Western Reserve University
- Monday, October 26      **Max Teets, Graduate Student:** *"Are Adipose-Derived Stromal Cells A Subpopulation of Pericytes?"*. Biology Department, Skeletal Research Center, Case Western Reserve University
- Monday, November 2      **Dave Carrino, PhD:** *"Keloids and Fibroids: More In Common Than Just "Oids."* Research Professor; Biology Department, Skeletal Research Center, Case Western Reserve University
- Monday, November 9      **Zhimin Feng, PhD:** *"TBA"*. Instructor, Department of Biological Sciences, Case School of Dental Medicine, Case Western Reserve University
- Monday, November 16      **Diego Correa MD, PhD:** *"Role of MSC's in Bone Metastasis"*. Sr. Research Associate; Biology Department, Skeletal Research Center, Case Western Reserve University
- Monday, November 23      **Eben Alsberg, PhD:** *"New Strategies and Engineered Biomaterial Systems for Tissue Regeneration"*. Assistant Professor, Biomedical Engineering Department, Case Western Reserve University
- Monday, November 30      **James E. Dennis, Ph.D.:** *"Targeting MSCs to Treat Inflammatory Diseases"*. Assistant Professor, Orthopaedics Department, Case Western Reserve University
- Monday, December 7      **Jean Welter, MD, PhD,** *"TBA"*. Research Associate Professor; Biology Department, Skeletal Research Center, Case Western Reserve University

Light refreshments will be served.

Sponsored by Case Western Reserve University, Skeletal Research Center
