

## Case Western Reserve University --- Department of Mathematics

The Department of Mathematics at Case Western Reserve University anticipates at least one new tenure track (rank open, junior preferred). Applications are encouraged from any area of applied, computational, or interdisciplinary mathematics. Preference will be given to candidates with interest in the areas of life sciences and energy research. Exceptional candidates in other areas of applied and computational mathematics will also be considered. Above the rank of assistant professor, a strong publication record is required. Candidates should hold a Ph.D. in Mathematics or a related field by the time of appointment, demonstrated teaching experience, and a publication record appropriate to rank. The normal teaching load is two courses per semester.

Candidates should submit a letter of application, curriculum vitae and arrange for three letters of recommendation to be submitted directly. In addition, a statement of teaching philosophy and experience, evidence of teaching excellence, and a statement of current and future research plans should be included as part of the application. All application materials should be submitted electronically through the AMS website [mathjobs.org](http://mathjobs.org) or mailed to
