

The results of the 2011 MAA competition are in

The MAA mathematics competition was held on Friday, March 25 in Youngstown, OH. It is a pleasure and an honor to announce that:

The **first place** team was from CWRU: Robert Fraser, David Kent, and Michael Steward. The **second place** team was from CWRU: Stephanie Cockrell, Fred Douglas, Amalie McKee. The team of Jonathan Bartles and Mark Syvuk came in **tied for fifth**.

There were 24 teams overall.

The Department of Mathematics congratulates its team members for such a great performance.
