

THE 2012 MAA COMPETITION RESULTS ARE IN

The MAA mathematics competition was held on Friday, April 13 in Cincinnati, OH.

Congratulations to the team of Mark Syvuk, Todd Norton, and Andres Rosales, which placed **first** among the thirteen teams competing in this year's Leo Schneider Student Mathematics Competition. The contest, named in memory of Professor Leo J. Schneider of John Carroll University, has been held at the Annual Spring Meeting of the Ohio Chapter of the MAA since 2004. This is the **sixth straight year that a Case team has taken first place in the competition.**
