

CURRICULUM VITAE
Dennis D. Drotar, Ph.D.
 February, 2004

DATE OF BIRTH: January 13, 1945

PLACE OF BIRTH: Elizabeth, New Jersey

HOME ADDRESS: 3230 Chadbourne Road • Shaker Heights, Ohio 44120

OFFICE ADDRESS: Department of Pediatrics
 Rainbow Babies and Children's Hospital
 11100 Euclid Avenue • Cleveland, Ohio 44106
 Telephone: (216) 844-3230

EDUCATION:

1966	B.A., Psychology, Rutgers University, New Brunswick, New Jersey
1966 - 1970	Fellow in Human Development, University of Iowa
1968	M.A., Psychology, University of Iowa, Iowa City, Iowa
1970	Ph.D., Clinical Psychology, University of Iowa, Iowa City, Iowa

PROFESSIONAL EXPERIENCE AND EMPLOYMENT:

1996--	Chief, Division of Behavioral Pediatrics and Psychology, Rainbow Babies & Children's Hospital, Department of Pediatrics, Case Western Reserve University School of Medicine
1996--	Staff Psychologist, Rainbow Babies & Children's Hospital, Cleveland, Ohio
1988--	Professor, Departments of Pediatrics and Psychiatry, Case Western Reserve University School of Medicine
1987--	Director, Research Training Program in Pediatric Psychology, Case Western Reserve University, Department of Psychology
1987-1996	Staff Psychologist, Cleveland MetroHealth Medical Center, Consultant Pediatric Inpatient Services
1987-1996	Director of Research and Evaluation, Division of Child & Adolescent Psychiatry, Department of Psychiatry, Cleveland Metropolitan General Hospital
1982-1983	Chairman, Promotions Committee, Department of Psychiatry, Case Western Reserve University School of Medicine, Cleveland, Ohio
1980-1983	Departmental Representative, Division of Pediatric Psychology, Department of Pediatrics, Case Western Reserve University School of Medicine, Cleveland, Ohio
1980-1988	Affiliated Staff, Health Hill Hospital, Cleveland, Ohio
1978-1985	Associate Professor of Psychology, Department of Psychology, Case Western Reserve University, Cleveland, Ohio

- 1977-1987 Associate Professor of Psychology in Psychiatry and Pediatrics, Case Western Reserve University School of Medicine, Cleveland, Ohio
- 1971-1987 Staff Psychologist, Rainbow Babies & Children's Hospital, Cleveland, Ohio, Consultant to Pediatric Inpatient and Outpatient Services
- 1971-1976 Assistant Professor of Psychology in Psychiatry and Pediatrics, Case Western Reserve University School of Medicine, Cleveland, Ohio
- 1970-1971 Postdoctoral Fellowship in Clinical Child Psychology, University of Colorado Medical Center, Denver, Colorado
- 1968-1969 Internship in Clinical Child Psychology, Boston Children's Hospital, Boston, Massachusetts

LICENSURE AND CERTIFICATION:

1973-- Licensed Psychologist, State of Ohio #1069

HONORS:

- 2001 Martin P. Levin Award for Distinguished Mentoring, Society of Pediatric Psychology, Division 54
- 1995 Calvin Woodruff Award for Research in Child Nutrition, University of Missouri School of Medicine, Department of Child Health
- 1993 Distinguished Research Contribution Award, Society of Pediatric Psychology
- 1992 Fellow, American Association of Applied and Preventive Psychology
- 1988 Distinguished Service Award, Society of Pediatric Psychology
Elected as a fellow of the American Psychological Association in recognition of outstanding contributions to the science and profession of psychology:
- 1984 Division 37
- 1989 Division 12
- 1991 Division 38
- 2000 Division 54
- 2002 Division 53
- 1966 Phi Beta Kappa, Henry Rutgers Scholar, *cum laude* with high distinction in Psychology, Rutgers University

TEACHING:

- 1994 Graduate course: Ethics in behavioral research
- 1993 Graduate course: Writing for publication
- 1992 Graduate course: Impact of economic and cultural influences on children
- 1990 Graduate course: Seminar in grant writing
- 1989 Graduate course: Applied clinical research in psychology
- 1988 Graduate Seminar in Pediatric Psychology, Case Western Reserve University
- 1985-1996 Lecturer on child development, psychological assessment, mental retardation, failure to thrive, stress and coping, chronic illness in children to pediatric interns and residents and psychiatry residents, Cleveland MetroHealth Medical Center
- 1980-- Guest lecturer in graduate level courses in consultation, psychological assessment, mental retardation, research in pediatric psychology, Department of Psychology, Case Western Reserve University
- 1974-1977 Undergraduate Honors Program, Case Western Reserve University, Department of Psychology

- 1971-1986, 1996-- Lecturer to child psychiatry fellows (University Hospitals) on infant mental health and mental retardation
- 1971-1987 Lecturer to pediatric interns and residents (University Hospitals) on topics related to behavioral pediatrics
- 1971-- Independent Study in Psychology, Case Western Reserve University
- 1971-1972 Child Development, Department of Psychology, Case Western Reserve University

RESEARCH SUPERVISION:

Participation in 13 masters and doctoral dissertation committees in nursing, dentistry, and social work.

Participation in 32 master's theses and 28 doctoral dissertation committees in psychology.

Primary research advisor for four undergraduate honors theses in psychology, 17 masters theses, and 19 Ph.D. dissertations as shown below:

DISSERTATION STUDENTS:

- 2003 Hart, C. Enhancing parent-provider communication in pediatrics. An intervention with pediatric residents.
- 2001 Burgess, E. Health related beliefs and behaviors of adolescents with and without congenital heart disease.
- 2001 Walders, N. A randomized controlled trial of a problem-solving intervention for pediatric asthma.
- 2000 Levi, R.B. Health values and behavior: Perspectives of young adults successfully treated for cancer and their peers.
- 1999 Riekert, K.T. Health beliefs and medication adherence in adolescents with chronic health conditions.
- 1998 Robinson, J.R. Problem-solving abilities of mothers of infants with nonorganic failure to thrive.
- 1997 Ludwig, A. Impact of videotaped preparation on the attendance of children and families in psychotherapy.
- 1997 Palermo, T.M. Comparison of two parent implemented distraction interventions for pediatric outpatient surgery.
- 1996 Ievers, C. Maternal child rearing behavior in cystic fibrosis.
- 1995 Nassau, J. Children's social competence six months following traumatic brain injury.
- 1994 Peterson, N. Effects of maternal HIV infection on security of infant to mother attachment in Ugandan infants.
- 1993 Bull, B.A. Stressors and coping strategies of children with cancer and healthy children: A cross-sectional study.
- 1992 Berkoff, K.A. Effects of personality styles, gender and year in training on coping styles and health-related behaviors in medical residents.
- 1991 Hoffman, Y. The effects of a supportive intervention during labor and delivery on the post- partum psychological adaptation of first time mothers.
- 1989 Saletsky, R. Autonomy and conflict in parent-child relationships in juvenile diabetics.
- 1987 Brinich, E. Security of infant-mother attachment and failure to thrive. Some developmental consequences.
- 1987 Phipps, S. Family adaptation to home apnea monitoring.

- 1986 Bush, M. Healthy siblings' adaptation to pediatric cancer.
 1984 Moise, J. Coping patterns and adjustment of adolescents and young adults with cystic fibrosis.
 1978 Kucia, C. Home observation of family interactions and the adjustment of children and adolescents with cystic fibrosis.

CLINICAL SUPERVISION:

- 1987-1996 Supervisor and coordinator, Graduate student placement in Pediatric Psychology and Child Psychiatry, Cleveland MetroHealth Medical Center
 1987-1996 Clinical supervisor, Psychiatry Residency Program, Cleveland Metropolitan General Hospital
 1984-1987,1997-- Supervisor and training director, postdoctoral fellowship in pediatric psychology, Rainbow Babies & Children's Hospital
 1974-1978 Supervisor, pediatric residents' elective in Behavioral Pediatrics
 1971-1984 Primary supervisor of psychology interns' pediatric rotation, University Hospitals
 1973-1985, 1996-- Graduate practicum in pediatric psychology, Rainbow Babies & Children's Hosp.

PROFESSIONAL ACTIVITIES AND MEMBERSHIPS:

- 2003 Member, Task Force on Psychology's Agenda for Child and Adolescent Health. American Psychological Association
 2000-2002 President, Society of Developmental and Behavioral Pediatrics
 Chair, Search Committee, Editor, Journal of Pediatric Psychology
 2000-2001 Chair, Search Committee, Editor, Journal of Developmental and Behavioral Pediatrics
 2001 Member, Task Force on Empirically Supported Assessments in Pediatric Psychology
 2001 Member, Functional Outcomes Project Advisory Committee, Center for Child Health Research
 1999 Appointed as consultant to the Subboard of Developmental-Behavioral Pediatrics
 1997-2000 Scientific Advisory Board, Center for the Advancement of Health
 1996 Chair, Task Force on Dissemination of DSM-PC, Society of Pediatric Psychology
 1996 Chair, Task Force on Research, American Association of Medical School Professors of Psychology
 1996 Member, Research Committee, Society of Behavioral and Developmental Pediatrics
 1996 Member Subcommittee on Classification of Childhood Chronic Conditions, Medical Advisory Committee, National Association of Children's Hospital and related institutions.
 1995 Appointed to DSM-PC Project Advisory Committee, American Academy of Pediatrics
 1995 President APA Division 37 (Child, Youth & Family Services)
 1995 Appointed to Committee on Diagnosis and Practice in Mental Retardation, Division 33, APA
 1992-1996 Liaison from Society of Pediatric Psychology to the Task Force on Coding of Mental Health Issues in Children, American Academy of Pediatrics

1992-1995	Member, Environmental and Interactional Factors and Reactions Work Group and Formatting and Organization Work Group. Task Force on Coding of Mental Health Issues in Children, American Academy of Pediatrics
1992	Member, Committee on International Health, Society for Behavioral Pediatrics
1990-1992	Division 12 (1992), Section 5 Liaison representative to Society for Behavioral Pediatrics
1990	Chairman, Committee on Social Concerns, Society for Behavioral Pediatrics
1989-1992	Member, Executive Council, Society for Behavioral Pediatrics
1989	Division 12, Section 5, Task Force on Professional Issues
1989	Chair, Committee on Children & Health, Division 38
1987	Division 12, section 1, Task force on post-doctoral training
1987-1989	Division 12, section 5 (APA), Liaison representative to Division 38
1984-1989	Committee on Children and Health, Division 38 (Health Psychology)
1988	Member, Society of Pediatric Psychology Task Force for Review of <u>ACCH Psychosocial Guidelines for Pediatric Care in Hospitals</u>
1984-1987	Training Committee Society of Pediatric Psychology
1987	Society for Developmental and Behavioral Pediatrics Member Ad Hoc Committee on Social Concerns
1986-1987	Member Ad Hoc Committee on Curriculum Executive Committee
1983-1986	Membership Committee
1980	Society of Pediatric Psychology. President
1978-1983	Society of Pediatric Psychology. Member, Executive Committee Society for Research in Child Development
1994	Listed in the National Register of Health Service Providers in Psychology American Psychological Association, Divisions 12 (Sections 1 and 5), 33, 37, 38

EDITORIAL BOARDS & REVIEW EXPERIENCE:

2004	Special Section Editor: "Research on randomized clinical trials". <i>Journal of Pediatric Psychology</i>
April, 2002	Editor, "Behavioral and emotional problems in infants and young children", Special Issue of <i>Infants and Young Children</i> .
Oct/Nov 2001	Editor, "Clinical interventions in pediatric settings", Special Issue of <i>Journal of Pediatric Psychology</i>
October, 2001	Editor, "Comprehensive care for children with chronic health conditions", Special Issue of <i>Children's Services: Social Policy, Research, and Practice</i>
1992-1997	Associate Editor: <i>Journal of Pediatric Psychology</i>
1997--	Review and Special Article Editor: <i>Journal of Developmental & Behavioral Pediatrics</i>
October 1997	Editor: "Interventions in Pediatric Psychology"--Special Issue of <i>Journal of Pediatric Psychology</i>
1996--	Children's Services: <i>Social Policy and Research</i>
1994-1996	Editorial Board of APA, Division 33: <i>Manual of Diagnosis and Professional Practice in Mental Retardation</i>
1995--	Editorial Board: <i>Clinical Child Psychology and Psychiatry</i>
October 1994	Editor: "Impact of parental health problems on children," special issue of <i>Journal of Pediatric Psychology</i>
1988-1994	Editorial Board: <i>Child Abuse & Neglect</i>

December 1991	Editor: "Methodological issues in developmental and behavioral pediatrics," special issue of <i>Journal of Developmental and Behavioral Pediatrics</i>
1988--	Editorial Board: <i>Infants and Young Children</i>
1984--	Editorial Board: <i>Journal of Developmental and Behavioral Pediatrics</i>
1981	Editor: "Psychological aspects of chronic illness," special issue of <i>Journal of Pediatric Psychology</i>
1977--	Editorial Board: <i>Journal of Clinical Child Psychology</i>
1976--	Editorial Board: <i>Journal of Pediatric Psychology</i>

AD HOC REVIEW FOR THE FOLLOWING JOURNALS:

PROGRAM AND AWARD REVIEW:

1994	Reviewer, APA Dissertation Research Awards, 1994
1993-1994	Review Panel: Trainee Manuscript Award, <i>Journal of Developmental and Behavioral Pediatrics</i> , 1993-1994
1994-1995	Reviewer, Student Research Award Competition. Section on Clinical Child Psychology,

1994-1996 American Psychological Association, 1990, Division 37 1994-1996
 1989-1995 Program review, Society for Behavioral Pediatrics, 1989- 1995
 1988-1993 Program review, Society for Research in Child Development,
 Convention Program Review Committee, American Psychological
 Association.
 1979-84, 1988, 1995-96 Division 12
 1984-85, 1994-96 Division 37
 1986, 1989, 1996 Division
 1983 Behavioral Pediatrics Section, International Conference on Infant Studies

GRANT REVIEW:

2002 Starbright Foundation, Student Dissertation Awards
 2002 Schubert Center for Child Development, Case Western Reserve
 University
 1995-1997 Board of Directors, Genentech Research Foundation
 1989 Reviewer for Ontario Mental Health Foundation, Toronto, Canada
 1989 Study Section on Behavioral Medicine, National Institute of Health (ad
 hoc member)
 1987 Fred Meyer Charitable Trust Foundation
 1987 Diabetes Association of Greater Cleveland
 1985, 1986 National Institute of Mental Health Special Review
 1985 W.T. Grant Foundation (ad hoc review)
 1982 National Kidney Foundation
 1980 National Cystic Fibrosis Foundation (ad hoc review)
 1980-1985 March of Dimes Foundation (ad hoc review)

OTHER PROFESSIONAL ACTIVITIES:

1997- Chief, Credentialing Committee for Psychologists, University Hospitals
 1996- Appointed to Medical Advisory Board, National Association of
 Children's Hospitals and Related Institutions
 1996- Appointed to Advisory Board, Society of Pediatric Psychology
 1985-1988 Consultant for preparation of "Children's Mental Health: Problems and Treat-
 ment" Technical Assistance Report
 1993-1994 Appointed to Task Force: Bright Futures in Practice: Mental Health Guidelines,
 National Center for Education in maternal and child health Research Mentor ship
 Program, National Institute of Mental Health
 1990-1991 Appointed to Subcommittee of Medical Advisory Committee of Bureau for
 Children with Medical Handicaps, Columbus, Ohio
 1989-1990 Consultant, Toll Control Project, Clinical Center for the Study of Development
 and Learning, Child Development Research Institute, University of North
 Carolina at Chapel Hill
 1989-1990 Member: Pediatric Psychoimmunology Research Consortium, W.T. Grant Foun-
 dation
 1988-1990 Member: Advisory Task Force on Community Mental Health Services for
 Children with Special Health Needs, Bureau of Maternal and Child Health
 1983-1993 Psychologist, Diabetes Control and Complications Trial (DCCT), Case Western
 Reserve University Medical School
 1980-1982 Consultant to Psychology staff at Health Hill Hospital
 1988-1997 Member: Research Consortium on Childhood Chronic Illness

- 1996-1999 Member: External Advisory Committee, Postdoctoral Training Program: Health Behavior Research in Minority Populations, Mailman Center
- 1997-1999 Member: Advisory Panel, Center for the Advancement of Health
- 2000- Member, Project Advisory Committee, Functional Outcomes Project, American Academy of Pediatrics

COMMUNITY SERVICE:

- 1994- Research Advisory Committee of the Cuyahoga County Community Mental Health Research Institute
- 1989-1995 Research Advisory Committee, Visiting Nurse Association
- 1986-1987 Citizens Advisory Committee in Children's Services, Cuyahoga County Department of Human Services
- 1986- Psychologist for Camp Ho Mita Koda for children with juvenile diabetes

RESEARCH SUPPORT (AS PRINCIPAL INVESTIGATOR):

Current Support

- 2002 Postdoctoral research training in child behavioral health, NIH, \$831,560
- 2002 Support for conferences on functional outcomes and child health assessment and policy implications of comprehensive care for children with chronic illness. Genentech Foundation, \$100,000
- 1996- Principal Investigator: Research training in pediatric psychology, National Institute of Mental Health, \$441,000
- 1997 Co-principal Investigator (with A. Quittner). Controlled trial of family intervention for cystic fibrosis. National Institutes of Health, \$672,106
- 1999 Principal Investigator: Evaluation of the outcome of the Cleveland Eastern Suburban Born to Learn Program, Robert Wood Johnson Foundation \$671,684
- 1999- Mt. Sinai Health Care Foundation \$163,194
- 2001- Principal Investigator. Reducing barriers to pediatric asthma adherence, NIH (NHLBI) \$1,248,586

Previous Support

- 2001 Principal Investigator: Comprehensive Care for Children with Chronic Illness, Genentech Foundation, \$60,000
- 1998-2001 Principal Investigator: Early detection and therapy for children with failure to thrive. Gerber Foundation, \$145,000
- 1998-1999 Principal Investigator. Children Who Witness Violence Program. Sihler Foundation, \$25,000
- 1998-1999 Principal Investigator. Coordination of Care for Children who are Failing to Thrive. Schubert Center for Child Development, \$9,800
- 1998-1999 Principal Investigator. Planning grant to evaluate the Born to Learn Program. Mt. Sinai Health Care Foundation, \$28,050
- 1997 Principal Investigator. Consensus conference on adherence to treatment regimens for children with chronic health conditions. Genentech Foundation for Growth and Development, \$55,000
- 1996 Principal Investigator. Consensus conference on quality of life/functional assessment in children and adolescents with physical conditions that affect growth and development. Genentech Foundation for Growth and Development, \$65,500
- 1987-1996 Principal Investigator, Research Training in Pediatric Psychology, National Institute of Mental Health, \$689,269

- 1993-1995 Principal Investigator. "Follow-up of school-age children with early histories of failure to thrive," Armington Foundation, \$2,500
- 1992-1995 Principal Investigator. "The impact of HIV positivity on the hemophilic child and his family." Maternal and Child Health Research Program, Bureau of Health Care Delivery and Assistance, \$338,435
- 1990-1995 Co-principal Investigator (with K. Olness). "Neurodevelopmental status in HIV positive Ugandan infants," National Institutes of Health, \$429,422
- 1987-1990 Principal Investigator. "Prediction of outcome of early intervention in failure to thrive," Maternal and Child Health. Bureau of Health Care Delivery and Assistance, \$164,081
- 1986 Co-Principal Investigator. Follow-up of Infant Failure to Thrive, W.T. Grant Foundation, \$10,000
- 1983-1984 Principal Investigator. Infant Growth & Development Center, Cleveland Foundation, \$25,000
- 1983-1985 Principal Investigator. Infant Growth & Development Center, Rainbow Board, Rainbow Babies & Children's Hospital, \$67,400
- 1982-1985 Principal Investigator. "Family oriented stress intervention," National Institute of Mental Health #30274-04, \$465,000
- 1982-1983 Principal Investigator: "Infant growth project," Cleveland Foundation, \$180,000
- 1981-1984 Principal Investigator. "Family oriented stress management and infants at risk," National Institute of Mental Health #35220, \$225,000
- 1980-1983 Principal Investigator. "Transactional competence and attachment behavior in very low birth weight infants," National March of Dimes Foundation, \$60,000
- 1979 Co-principal Investigator with C. Malone. "Family oriented intervention and failure to thrive," National Institute of Mental Health #30274, \$575,000
- 1976-1979 Co-principal Investigator with C. Malone. "Maternal child attachment and failure to thrive," W.T. Grant Foundation, \$150,000
- 1972-1975 Co-principal Investigator with C. Doershuk. "Psychological adaptation in cystic fibrosis," Cystic Fibrosis Foundation, \$5,000

Papers Presented to Scientific and Professional Organizations (Selected presentations: 1990-present)

Drotar, D., White, S., & Sturm, L. (May, 1990). Pediatric psychologists' perceptions of their work environments. Biannual meeting of the North Coast Society of Pediatric Psychology, Detroit.

* Drotar, D. (August, 1990). Discussant: Symposium: Family factors affecting coping in childhood chronic illness. American Psychological Association, Boston, MA.

Drotar, D., Sturm, L., Eckerle, D. (September 1990). Behavioral symptoms, problem solving and personality development of preschool children with early histories of nonorganic failure-to-thrive, Society for Behavioral Pediatrics, Denver, CO.

* Drotar, D. (September 1990). Keynote address: Advances in failure to thrive research: Implications for practice. Conference on current trends in failure-to-thrive management. LaRabida Children's Hospital and Research Center, Chicago, IL.

* Drotar, D. (April, 1991). Integrating theory and practice in intervention with families of children with a chronic illness. Presented at Kent Psychology Forum on Family Health Psychology. Kent State University, Kent, OH.

Bull, B.A. & Drotar, D. (April, 1991). Cross-situational consistency and developmental trends in coping with childhood cancer. Presented at biannual meeting of Society for Research in Child Development. Seattle, HA.

* Drotar, D. (May, 1991). Presentations concerning intervention in childhood chronic illness and failure to thrive. Department of Pediatric Psychology. Oklahoma Health Sciences Center, Oklahoma City, OK.

* Drotar, D. (July, 1991). Neurodevelopmental studies of HIV infection in Ugandan infants. Colloquium. Department of Psychology, Makerere University, Kampala, Uganda.

Saletsky, R. & Drotar, D. (August, 1991). Autonomy in adolescents with insulin-dependent diabetes mellitus (IDDM). Poster presented at the American Psychological Association, San Francisco, California.

Fagan, J.F., Drotar, D., Berkoff, K., & Peterson, N., Olness, K., et. al. (September, 1991). The Fagan Test of Infant Intelligence: Cross-cultural and racial comparisons. Presented at Annual Meeting of the Society for Behavioral Pediatrics, Baltimore, MD.

Drotar, D. (1992, April). Graduate research training in pediatric psychology. Presented at biannual meeting of North Coast Society of Pediatric Psychology, Buffalo, N.Y.

Drotar, D., Peterson, N., & Berkoff, K. (April, 1992). Cross-cultural research in pediatric psychology. Issues in studying the psychological consequences of HIV infection in Ugandan infants. Presented at biannual meeting of North Coast Society of Pediatric Psychology, Buffalo, N.Y.

* Drotar, D. (August, 1992). Fostering resilience and containing dysfunction: lessons from studies of cystic fibrosis. Symposium: Chronic Illness in Children: Implications from research to clinical practice. Annual meeting of American Psychological Association, Washington, D.C.

Drotar, D. & Ievers, C. (October, 1992). Maternal child rearing practices and independence in assuming treatment related responsibilities among children with cystic fibrosis. Poster presentation at Sixth Annual North American Cystic Fibrosis Conference, Washington, DC.

* Drotar, D. (March, 1993). Discussant, symposium: Family relationships and psychosocial development in physically impaired and chronically ill adolescents. Meeting of Society for Research in Child Development, New Orleans, LA.

* Drotar, D. (March, 1993). Discussant, symposium: Individual differences in growth, development, and family interaction patterns among children with failure to thrive. Meeting of Society for Research in Child Development, New Orleans, LA.

Drotar, D., Fagan, J.F., Olness, K., Hom, D., Wiznitzer, M., Marum, L., Scheurman, M.M. & Ndugwa, C. (April, 1993). Developmental outcome of Ugandan infants with perinatally acquired HIV infection.

Presented at the biennial meeting of the Florida Conference on Child Health psychology, Gainesville, Florida.

* Drotar, D. (April, 1993). State of the art and future directions in research on chronic illness in children. Presented at the biennial meeting of the Florida Conference on Child Health Psychology, Gainesville, Florida.

* Drotar, D. (August, 1993). Challenges of Applied Research: Lessons from the field. Invited address given at American Psychological Association, Toronto, Canada.

Ludwig, A.S., Zimet, G.D. & Drotar, D. (August, 1993). Adolescents and AIDS: Relationship between interpersonal behavior and sexual behavior. Presented at American Psychological Association, Toronto, Canada.

Taylor, H.G., Drotar, D., Wade, S.L., Stancin, T., & Shavor, E. (August, 1993). Impact of Traumatic Brain Injury on Families. Presented at American Psychological Association, Toronto, Canada.

* Drotar, D. (October, 1993). Psychological outcomes of preschool children with early histories of failure to thrive. Invited presentation: Growth, stature and adaptation: International symposium on the behavioral, social and cognitive aspects of growth delay. University of North Carolina School of Medicine, Chapel Hill, NC.

Palermo, T., Lambert, S., Drotar, D. & Jacobson, B. (April, 1994). Predicting postoperative pain management from children's coping strategies: An examination of coping styles and recovery from surgery. Poster presented at the North Coast Regional Conference of Society of Pediatric Psychology, Cincinnati, Ohio.

Drotar, D. (April, 1994). What must I give up for tight control? Psychological and social factors. Consumer Education Program V: Diabetes Control and Complications. American Diabetes Association, Delaware, Ohio.

* Drotar, D. (August, 1994). Diagnosis for collaborative practice and research: Future directions. Symposium. American Psychological Association, Los Angeles, CA.

Drotar, D., Olness, K., Marum, L., Ndugwa, C., Wiznitzer, M., Svilar, G. & Fagan, J. (September, 1994). Neurodevelopmental status of Ugandan infants with HIV infection. Presented at the annual meeting of the Society for Behavioral Pediatrics, Minneapolis, MN.

Taylor, H.G., Wade, S., Drotar, D., Stancin, T., & Yeates, K.O. (September, 1994). Family functioning after traumatic injuries in children. Presented at the Meeting of the Society for Behavior Pediatrics, Minneapolis, MN.

Taylor, H.G., Yeates, K.O., Drotar, D., Wade, S., & Stancin, T. (February, 1995). Family outcomes of childhood traumatic brain injury (TBI). Presented at Meeting of the International Neuropsychological Society, Seattle, WA.

Drotar, D., Agle, D.P., Eckl, L. & Thompson, P.A. (March, 1995). Psychological and family adaptation of HIV-infected children and adolescents with hemophilia: Results of a multi-site study. Poster presented at the biennial meeting of the Society for Research in Child Development. Indianapolis, IN.

Drotar, D., Olness, K., Marum, L., Ndugwa, C., & Svilar, G. (April, 1995). Neurodevelopmental status of Ugandan infants with HIV infection. Presented at Florida Conference of Child Health Psychology. Gainesville, FL.

Nassau, J.H., Drotar, D., & Taylor, H.G. (April, 1995). Predicting children's social competence six months following traumatic brain injury. Poster presented at the Florida Conference of Child Health Psychology, Gainesville, FL.

Wade, S., Taylor, H.G., Drotar, D., & Stancin, T. (April, 1995). Predictors of parental psychological adjustment following pediatric traumatic brain injury (TBI). Presented at the Florida Conference of Child Health Psychology, Gainesville, FL.

- Palermo, T., Drotar, D., & Lambert, S. (April, 1995). Prediction of children's postoperative pain. Role of presurgical expectations and anticipatory emotions. Presented at the Florida Conference of Child Health Psychology, Gainesville, FL.
- Robinson, J., Rankin, J.L., & Drotar, D. (April, 1995). Security of attachment as a predictor of maternal visitation to young hospitalized children. Presented at the Florida Conference of Child Health Psychology, Gainesville, FL.
- *Drotar, D. (June, 1995). Nonorganic failure to thrive. What have we learned over the last four decades about course, impact, and prevention? Calvin Woodruff Memorial lectureship. Department of Pediatrics, University of Missouri School of Medicine, Columbia, MO.
- *Drotar, D. (August, 1995). Discussant: Family-oriented psychological services and research in pediatric oncology settings. Symposium presented at annual meeting of the American Psychological Association, New York, New York.
- *Drotar, D. (August, 1995). Children's access to care. Perils and prospects in the 1990's. Invited presentation at annual meeting of the American Psychological Association. New York, New York.
- Stancin, T., Thompson, G., Taylor, H.G., Wade, S., Drotar, D. & Yeates, K.O. (September, 1995). Psychosocial impact of pediatric orthopedic trauma. Presented at the Annual Meeting of the Society for Behavioral Pediatrics, Philadelphia, PA.
- Alden, J.T., Taylor, H.G., Barry, C., Drotar, D., Wade, S., Stancin, T., Yeates, K.O. (February, 1996). Factors related to variability in outcomes following childhood traumatic brain injury. Presented at The Annual Meeting of International Neuropsychological Society, Chicago, Illinois.
- Drotar, D., Schatschneider, C., Taylor, H., Wade, S., Stancin, T. & Yeates, K. (April, 1996). Assessing family response to traumatic brain injury in children: The Family Burden of Injury Interview: FBII. Presented at Great Lakes Regional Conference of the Society of Pediatric Psychology, Toronto, Canada.
- Palermo, T. & Drotar, D. (April, 1996). Development of a model to predict children's pain after surgery. Presented at Great Lakes Regional Conference of the Society of Pediatric Psychology, Toronto, Canada.
- Levi, R., Drotar, D., Yeates, K. & Taylor, H.G. (April, 1996). Post traumatic stress disorder in children following traumatic brain injury. Presented at Great Lakes Regional Conference of the Society of Pediatric Psychology, Toronto, Canada.
- Wade, S., Taylor, H.G., Drotar, D. Stancin, T. & Bishop, D. (April, 1996). Predictors of family functioning following childhood traumatic brain injury. Presented at Great Lakes Regional Conference of the Society of Pediatric Psychology, Toronto, Canada.
- * Drotar, D. (May, 1996). Invited address: Psychologists in medical schools in the 1990's. Challenges and opportunities. Department of Psychiatry and Neurobehavioral Sciences, Wayne State University School of Medicine, Detroit, Michigan..
- * Drotar, D. (August, 1996). The DSM-IV-PC Child/Adolescent Manual: The psychologist's role. Presented in symposium at American Psychological Association, Toronto, Canada.
- * Wolraich, M., Rappo, P., Drotar, D., Jellinek, M., Kateher, A. (October, 1996). Workshop: Diagnosing mental health conditions in primary care pediatrics. Utilizing the DSM-PC child and adolescent manual. Workshop presented at the American Academy of Pediatrics, Boston, Massachusetts.
- Drotar, D. (October, 1996) Introduction and overview: issues in quality of life research with children and adolescents. Presented at Conference on Quality of Life Assessment in Children and Adolescents with Chronic Health Conditions. Sponsored by the Genentech Foundation, Cleveland, Ohio.
- Drotar, D., Olness, K., Schatschneider, C. (April, 1997). Neurodevelopmental outcome of Ugandan infants with HIV infection. Presented at the Florida Conference on Child Health Psychology, Gainesville, Florida.

Coury, D., Drotar, D., & Stancin, T. (May, 1997). Workshop: Using the DSM-PC: Implications for teaching, research, and practice. Presented at the Meeting of the Behavioral Pediatrics Consortium of Northeastern Ohio, Akron, Ohio.

* Drotar, D. (May, 1997). What's new in behavioral diagnosis. Presented at the 15th Annual Conference: Developmental Behavioral Disorders and a Spectrum of Pediatric Challenges, Hilton Head, South Carolina.

* Drotar, D. (May, 1997). Managing failure to thrive: An approach for families. Presented at the 15th Annual Conference: Developmental Behavioral Disorders and a Spectrum of Pediatric Challenges, Hilton Head, South Carolina.

* Drotar, D. (August, 1997) Clinical applications of the DSM-PC in pediatric primary care. Presented at Annual Meeting of the American Psychological Association. Chicago, Ill.

* Drotar, D. (August, 1997) The DSM-PC: Implications for the assessment of young children. Presented at the Annual Meeting of the American Psychological Association. Chicago, Ill.

* Drotar, D., Jellinek, D., Hatcher, S., Rappo, P. & Wolraich, M.D. (November, 1997). Diagnosing mental health conditions in primary care: Utilizing the DSM-PC child and adolescent manual. Presented at American Academy of Pediatrics. New Orleans, LA.

* Drotar, D. & Robinson, J.R. (November, 1997). Impact of short stature on quality of life. Where is the evidence? Presented at Sero Symposium Therapeutic Outcome of Endocrine Disorders: Efficacy, Innovation, and Quality of Life. West Palm Beach, Florida

* Drotar, D. (March, 1998). Implications of the DSM-PC for Psychologists. Department of Psychology, Vanderbilt University, Nashville, Tenn.

* Drotar, D., Rappo, P.D., & Wolraich, M. (April, 1998). Diagnosing mental health conditions. Utilizing the Diagnostic and Statistical Manual for Primary Care (DSM-PC)--Child and Adolescent Version. American Academy of Pediatrics, Atlanta, Georgia.
