

Dr. Gran is a former lawyer whose sociological research focuses on human rights and institutions that support and hinder their enforcement. With David Brunsma and Keri Iyall Smith, he is currently editing *The Handbook of Sociology and Human Rights* and directing a project funded by NSF to develop an international Children's Rights Index. Dr. Gran serves on the Council of the Science and Human Rights Project of the American Association for the Advancement of Science; and for his research on independent children's rights institutions, was recently a Visiting Fellow of the Swiss National Science Foundation.
