Ford Auditorium

**A Journey of Discovery
Readings and Ruminations**

Catherine L. Albers

The journey of playing Dr. Vivian Bearing in the Pulitzer Prize winning play, *Wit*, was a life changing experience for which I will be forever grateful. When I finally knew that the production was going to go forward, I was exhilarated by the prospect. What I couldn't foresee was how powerful and humbling that experience would be and how much it would impact my life. Thankfully, I will never be the same again.
