**For Office Use Only:**

Aid Year: **2015**

Document Name: **FA Study Abroad Cost Sheet**
Financial Aid and Study Abroad 2014–2015

- If you are a recipient of need-based funds and plan to use these for your study overseas, this office will need the official cost information for your program in order to determine your eligibility for need-based aid. Included is our Study Abroad Cost Sheet for you to complete and return along with some official documentation of the charges assessed. This documentation may be a photocopy of the relevant pages from the 2014–2015 catalogue or website from your intended school of study.

- If you are applying for need-based funds, you must submit the standard applications for financial aid in addition to this cost sheet. Please check with the Office of University Financial Aid regarding the status of your application or if you have any questions about the required forms.

- University-controlled grants and scholarships are applied to your CWRU tuition account at the beginning of our regular semesters: late August and mid-January. Please notify our office if this schedule will not meet the requirements of your program. Upon request, we will provide a letter to the visited institution confirming your funding and the timing of disbursement. Most institutions will agree to defer this portion of your payment once assured that the funds will be forthcoming.

- Your financial aid proceeds are directly deposited into your bank account or mailed as a refund check to your permanent home address after all University charges have been satisfied for the semester. Outside aid is credited to your account upon our receipt of the funds from the external source, and any excess funds are directly deposited into your bank account or mailed to you at your permanent home address. Student loan proceeds are generally disbursed at the same time as gift assistance provided that the promissory note(s) have been signed. Parent Loan proceeds are applied toward CWRU's direct charges for the semester, and excess funds are sent in check form to the parent borrower at the permanent home address.

- If your plans change, and you no longer will study abroad, please advise this office as well as Undergraduate Studies so that we may prepare the appropriate financial aid award.

- Nancy Issa serves as the financial aid contact person for this program and may be reached via e-mail at: nxi@case.edu.
