

Case YouTube

Case's [YouTube Channel](http://www.youtube.com/user/case) (<http://www.youtube.com/user/case>) is a formidable component of the mobile learning suite of services that students increasingly expect and rely on for academic exploration and excellence. From public lectures to lab demonstrations to research seminars and more, students can access 26 playlists with hundreds of videos on the Case YouTube channel. Select content from CWRU events is also posted on a Case branded YouTube channel, viewable by anyone worldwide for free and is a powerful way to showcase our campus and rich resources to the world.
