

## **Student Information System (SIS)**

The Student Information System (SIS) is also referred to as Student or PeopleSoft SIS by students, faculty, staff. The SIS is the university administrative system used for Student Registration, Student Accounts, Academic Advisement, and Student Demographic Data. The primary list of supported student services includes Online Schedule of Classes, Online Registration, Academic Requirements Reports, Unofficial Transcripts, Student Planner, Financial Account Inquiry, Online Payments, Authorized Users (Parent Access), Address Maintenance, and Privacy Settings (FERPA). The primary list of supported instructor/advisor services includes Online Class Roster, Online Grade Submission, Class Permissions, Online Advisee List, Advisee Academic Requirements Reports and What-if Reports, Advisee Shopping Carts, and Department Admin Center.

To log into SIS go to <http://www.case.edu/sis>.
