

### Modify a Blackboard course site title

1. Let's use an example here - This is how a course site is being listed on Blackboard

2005 PhD Dissertation: ACCT 701: DISSERTATION PH.D.  
 (Spring\_2005\_(Smith)) (unavailable)

No Announcements.

Course Site ID      Univeristy Registrar Data

2005 PhD Dissertation ACCT 701: DISSERTATION PH.D.  
 (Spring\_2005\_(Smith)) (unavailable)

No Announcements.

Course Site Title

2. To modify the course site title (the red area in the example), please go to the Blackboard Wizard at <http://www.cwru.edu/its/itac/BBWizard/index.htm>
3. Click on "[Update a Site Title](#)" on the left menu. Use your Case ID and password to login
4. All the Blackboard course sites under your account will be listed in the [Drop Down Menu](#) format. Click on the desired course site and hit the Next button to continue.

5. Modify the title in the [Text Box](#) and click on the "Update title" button
