

## Appendix: Mac OS X and Safari 4 using SmartCART

### Procedure

This document describes how eliminate the error "This application was unable to route the session back to the login".

Step	Action
1.	If you receive this error after clicking on the SmartCART link from the Financials system, follow these steps to remedy the issue.
2.	Go to the Safari <b>Menu</b> . Click <b>Preferences</b> .
3.	Click the <b>Security</b> button.
4.	Check the radio button <b>Always</b> for the Accept cookies: section.
5.	Close the window. Close Safari, open and continue using SmartCART with Financials.
6.	<b>End of Procedure.</b>
