

**INTH 5001 ORIENTATION TO INTERNATIONAL HEALTH
CENTER FOR GLOBAL HEALTH AND DISEASE**

**Denise Bothe, MD Instructor
August 20 – November 12, 2008
Wednesdays at 5:30 – 7:00 PM**

Rainbow Amphitheater, 1st Floor of Rainbow Babies & Children's Hospital

INTH 5001 is designed for first and second year medical students, residents, fellows, physicians, nursing staff, public health, employees and members of the community who are preparing for international experiences in developing countries. The course is generally a prerequisite for medical students and residents contemplating overseas training and rotations. Only first and second year medical students will receive elective credits.

There is **no fee** for this class. **Call April Rodon @ 216 368-6321 to register.**
