Arriving at the W. O. Walker Building

Location of Services

The Walker Building is located at 10524 Euclid Avenue, just south of the corner of East 105th & Euclid Avenue. For patients who will be driving, there is a parking garage attached to the building, with spaces designated for visitor and patient parking on the first floor. Parking is operated by Standard Parking. As done previously, your parking will be validated as a participant in a research study.

There is also an RTA bus stop at the corner of 105th & Euclid. The number 6 and 9 buses serve Euclid Avenue and the number 10 bus serves East 105th.

Upon arriving at the Walker Building, please proceed to Room 151 on the first floor for centralized check in. Please plan to arrive 15-20 minutes before your appointment for intake processing due to construction traffic near the Walker Building.

The Child and Adolescent Division will be located on the first floor of the Walker Building. A department greeter, located in the lobby of the Walker Building, will help you find your doctor's office once you have checked in through the Business Office.

A study team member will discuss the contents of this letter with you at your next scheduled visit or over the phone when scheduling your next visit. Please feel free to ask any questions at that time.
