

**APPOINTMENTS, PROMOTIONS, TENURE
APPROVED ACADEMIC YEAR 2007-2008**

COLLEGE OF ARTS AND SCIENCES:

Appointed to emeritus status:

Morris Burke, professor emeritus of biology
Dong Hoon Lee, professor emeritus of mathematics
Joanne Westin, senior instructor emerita of biology

Promoted or awarded tenure July 1, 2008

Gilbert Doho, tenure awarded (as associate professor), modern languages and literatures
Paul B. Drewa, associate professor, biology
Daniel Goldmark, associate professor with tenure, music
Brian Gran, associate professor with tenure, sociology
Miriam Levin, professor, history
Jennifer Ostrom Liang, associate professor with tenure, biology
Jie Shan, associate professor with tenure, physics
Lee Anne Thompson, professor, psychology
James A. Van Orman, associate professor with tenure, geological sciences

Appointed associate professor or professor August 2007 - present:

Shannon Elizabeth French, associate professor, philosophy
Erkki J. Somersalo, professor, mathematics

SCHOOL OF ENGINEERING:

Appointed to emeritus status:

Dwight T. Davy, professor emeritus of mechanical and aerospace engineering

Promoted or awarded tenure July 1, 2008

Harihara Baskaran, associate professor with tenure, chemical engineering
Michael Branicky, professor, electrical engineering and computer science
M. Cenk Cavusoglu, associate professor with tenure, electrical engineering and computer science
Elena Dormidontova, associate professor, macromolecular engineering and science
Robert Kirsch, professor, biomedical engineering
Stuart Rowan, professor, macromolecular science and engineering
G.Q. Zhang, professor, electrical engineering and computer science
Christian Zorman, tenure awarded (as associate professor), electrical engineering and computer science

SCHOOL OF DENTAL MEDICINE:

Awarded tenure July 1, 2008:

Yiping Han, tenure awarded (as associate professor), periodontics

Appointed associate professor or professor August 2007 - present:

Sorin T. Teich, associate professor, comprehensive care

SCHOOL OF LAW:

Appointed to emeritus status:

Ronald J. Coffey, professor emeritus

Melvin R. Durchslag, professor emeritus

Promoted July 1, 2008:

David J. Carney, professor

Timothy M. Casey, professor

Jennifer I. Cupar, associate professor

Jonathan Gordon, professor

B. Jessie Hill, associate professor

Maureen Sheridan Kenny, associate professor

Kathryn Lynn Mercer, professor

Matthew J. Rossman, professor

Carolyn K. Seymour, associate professor

Appointed associate professor or professor August 2007 - present:

Wendy E. Wagner, professor

SCHOOL OF MANAGEMENT:

Appointed to emeritus status:

Eric H. Nielsen, professor emeritus of organizational behavior

Promoted or awarded tenure July 1, 2008

Eric Betttinger, tenure awarded (as associate professor), economics

Diana Bilimoria, professor, organizational behavior

Robin Dubin, professor, economics

Ellen Garbarino, associate professor, marketing and policy studies

Anurag Gupta, tenure awarded (as associate professor), banking and finance

Kamlesh Mathur, professor, operations

Ajai K. Singh, professor, banking and finance

Robert Slonim, tenure awarded (as associate professor), economics

Appointed as associate professor or professor August 2007 - present:

Richard Buchanan, professor, information systems

SCHOOL OF MEDICINE:

Appointed to emeritus status:

Michael Sivak, Jr., professor emeritus of medicine

Julie Ann Clayman, associate professor emerita of surgery

Lloyd Culp, professor emeritus of molecular biology and microbiology

Yung Tsun Huang, associate professor emeritus of pathology

David S. Liebling, assistant professor emeritus of psychiatry

Raymond J. Lasek, professor emeritus of general medical sciences (bioarchitectonics)
Harry Nudelman, clinical associate professor emeritus of pediatrics
Robert A. Ratcheson, Harvey Huntington Brown Jr. Professor Emeritus of Neurosurgery
Victor Scharf, clinical assistant professor emeritus of surgery
Timothy L. Stephens., Jr., clinical assistant professor emeritus of orthopaedics
Nabiat Tafari, assistant professor emeritus of pediatrics
Victor Vertes, professor emeritus of medicine

Promoted or awarded tenure July 1, 2008:

Jalal M. Abu-Shaweesh, associate professor, pediatrics
Mark I. Aeder, associate professor, surgery
Kumar Alagramam, associate professor, otolaryngology – head and neck surgery
Jeffrey M. Albert, associate professor, epidemiology and biostatistics
David Sander Bardenstein, professor, ophthalmology and visual sciences
Hope Barkoukis, associate professor, nutrition
Jonathan Bass, associate professor, dermatology
Cynthia Bearer, professor, pediatrics
Ronald Blanton, professor, general medical sciences/center for global health and diseases
Leslie Bruggeman, tenure awarded (as associate professor), medicine
James Francis Chmiel, associate professor, pediatrics
Carin Cunningham, associate professor, pediatrics
Rita Cydulka, professor, emergency medicine
Piet deBoer, professor, molecular biology and microbiology
Katherine MacRae Dell, associate professor, pediatrics
Mitchell Drumm, professor, pediatrics
Thomas Egelhoff, professor, physiology and biophysics
Monisha Goyal, associate professor, pediatrics
Alison Hall, professor, neurosciences
Stefan Herlitze, associate professor with tenure, neurosciences
Karen Ruth Horowitz, associate professor, medicine
Insoo Hyun, associate professor, bioethics
Jessie Martha Jean-Claude, associate professor, surgery
Thomas J. Kelley, associate professor, pediatrics
Ruth Keri, associate professor with tenure, pharmacology
Margaret F. Kinnard, associate professor, medicine
Qingzhong Kong, associate professor, pathology
Siran Koroukian, associate professor, epidemiology and biostatistics
Deepak Kumar, associate professor, pediatrics
Li Li, associate professor with tenure, family medicine
Hua Lou, associate professor with tenure, genetics
Anne Lyren, associate professor, pediatrics
Gregory Thomas MacLennan, professor, pathology
Sybil Marsh, associate professor, family medicine
Grace Aouad McComsey, professor, pediatrics
Maroun Jean Mhanna, associate professor, pediatrics
Anthony J. Minotti, associate professor, radiology

Marianne Pusztai-Carey, associate professor, biochemistry
Mark S. Rzeszutarski, professor, radiology
Jeffrey Schelling, professor, medicine
Mike R. Schoenberg, associate professor, neurology
Christian Simon, associate professor, bioethics
Stephen C. Somach, associate professor, dermatology
Thomas L. Steinemann, professor, surgery
Jean T. Stevenson, associate professor, surgery
Focco van den Akker, associate professor with tenure, biochemistry
Michiko Watanabe, professor, pediatrics
Marlene Willen, associate professor, dermatology
Lance Dean Wilson, associate professor, emergency medicine
Abraham W. Wolf, professor, psychiatry
Martha S. Wright, professor, pediatrics
Peter Zimmerman, professor, general medical sciences/center for global health and diseases

Cleveland Clinic Lerner College of medicine

Josephine Clare Adams, professor, molecular medicine
Bela Anand-Apte, associate professor, ophthalmology
Robert Tracy Ballock, professor, surgery
Maria Febbraio, associate professor, molecular medicine
Xiaoxia Li, professor, molecular medicine
Michael Vogelbaum, associate professor, surgery

Appointed associate professor or professor August 2007 - present:

Deborah A. Blades, associate professor, neurological surgery
Jeffrey N. Bloom, professor, ophthalmology and visual sciences
Walter F. Boron, professor and chair, physiology and biophysics
Barry Evan Brenner, professor, emergency medicine
Chris Dealwis, associate professor, pharmacology
Michael Allan DeGeorgia, professor, neurology
Andre J. Duerinckx, professor, radiology
Anthony John Furlan, professor and chair, neurology
Andrew L. Goldberg, associate professor, radiology
Salim Michel Hayek, associate professor, anesthesiology and perioperative medicine
Richard Josephson, professor, medicine
Philip Aaron Linden, associate professor, surgery
Steven Alan Myers, associate professor, reproductive biology
Ralph G. O'Brien, professor, general medical sciences/Center for Clinical Investigation
Nancy Jean Roizen, professor, pediatrics
Andrew Edward Sloan, associate professor, neurological surgery
Stefan Daniel Trocme, professor, ophthalmology and visual sciences
Mark F. Walker, associate professor, neurology
Robert Wayne Wolford, associate professor, emergency medicine

Cleveland Clinic Lerner College of medicine

Robin Kimiko Avery, professor, medicine
Eugene Hubert Blackstone, professor, surgery

Mary Patricia Bronner, professor, pathology
Daniel G. Clair, professor, surgery
Inderjit S. Gill, associate professor, surgery
David A. Goldfarb, professor, surgery
Tracy L. Hull, professor, surgery
Jan Jensen, associate professor, molecular medicine
Matt Etem Kalaycio, professor, medicine
Andrea Kurz, professor, anesthesiology
David Marc Peereboom, associate professor, medicine
Sharon Elizabeth Mace, professor, medicine
Steven E. Nissen, professor, medicine
Brian P. Rubin, associate professor, pathology
Andrew P. Schachat, professor, ophthalmology
Daniel I. Sessler, professor, anesthesiology
Roy Thomas Temes, associate professor, surgery
John Joseph Vargo II, associate professor, medicine
Elaine A. Wyllie, professor, pediatrics

SCHOOL OF NURSING:

Promoted or awarded tenure July 1, 2008:

Elizabeth Damato, associate professor
Carol Musil, professor

SCHOOL OF APPLIED SOCIAL SCIENCES:

Appointed to emeritus status:

Pranab Chatterjee, Grace Longwell Coyle Professor Emeritus of Social Work

Promoted July 1, 2008:

David Crampton, associate professor
