

Scan 4 Ca\$h!

Scan this 2d barcode with your camera phone by **March 28** and **enter-to-win \$250 Visa Gift Card.***

Plus, the first 100 people to scan the code will receive a **FREE Red Bull six-pack.**

Sign up www.mobilediscovery.com and begin scanning and creating your own personal 2d codes. Or come to the Ice Cream Code party on March 27 and register in person!

Free Ice Cream Codes & Engineering Sundaes

Date: Thursday, March 27

Time: 5:30-7:00 pm

Place: The Spot at Leutner Commons

(Case 2dcode), the nation's premier mobile 2d barcode trial is only @ CWRU and is brought to you by the Masters of Engineering & Management (MEM) program.

After registering at www.mobilediscovery.com, you'll be able to create your own personal 2d codes and scan codes to receive tons of FREE stuff ... from food to magazine subscriptions, flat screen TV's to computers.

*If you are unable to scan the code with your camera phone, your registration at mobilediscovery.com will count as an official entry. Carrier data charges may apply, scan responsibly.
