

INTH 5001 ORIENTATION TO INTERNATIONAL HEALTH
Center For Global Health and Diseases
Periods 1 and 2 (2 credit course)
September 28, 2005 – January 11, 2006
Wednesdays evenings at 7:00 - 8:30 pm
The course will meet in the Rainbow Amphitheater
1st Floor of Rainbow Babies & Children's Hospital

The annual course, INTH 5001, is designed for students, residents, faculty, staff and members of the community who are preparing for international health experiences in developing country settings. The course is generally a prerequisite for 1st & 2nd year medical students and residents contemplating overseas training and resident international health rotations. This course is also available to employees of corporations who are traveling or relocating overseas, nurses, religious organizations, missionaries, etc. Please call if you have any questions.

There is no fee for this course. Call April Rodon @ 216 368-6323 to register.
