United Protestant Campus Ministries

www.upcam.org

UPCaM is an open and affirming, interdenominational ministry sharing the spirit of Christ through worship, prayer, pastoral care, study and community service.

We believe that students grow in their faith in God through Jesus Christ by finding support on their spiritual journey. We provide a safe space to openly share questions, doubts and struggles without being judged by others. We also seek to help students integrate their academic study with their growing faith and beliefs.

We are supported by the Presbyterian Church (USA), the United Methodist Church, the Episcopal Church, the American Baptist Association, the Christian Church (Disciples of Christ), and the United Church of Christ.

About Us

The staffs of the four campus ministries serving Case Western Reserve University constitute the Inter-Religious Council (IRC). As a body we support the search for truth and meaning by valuing religious pluralism and celebrating diverse religious expression.

Through programs like our Inter-faith Seder or social justice work with the Homeless Standown, we practice our commitment to compassion and justice for all. We also gather our student groups for social activities like BBQ's or ice cream socials. We believe that the best dialogue happens between friends and we strive to foster long-lasting relationships between students of every faith tradition.

About our Members

The Muslim Campus Ministry of Cleveland

Under the umbrella of the Uqbah Mosque Foundation, the Muslim Campus Ministry serves the needs and interests of Muslim students through prayer services, sports programs, counseling, and lectures. We also work to accommodate dietary needs on campus.

Uqbah Mosque is the main Muslim center in University Circle and has two main purposes: to provide necessary services to the Muslim community and to promote awareness of issues related to Islam, Muslims, and the Muslim world.

Uqbah Mosque offers the Jumaa prayer every Friday at 12:30 pm in addition to its weekly Friday night seminars, group dinners, and outdoor activities like picnics and holiday festivals.
