

“I’ve been meaning to get more involved with Newman...”

*“I had a great time with my church in high school,
but now that I’m at college...”*

“So what is it that you Newman folks do?”

Sound familiar? Never fear: your answers are here!

Whether it’s helping lead an event, joining us at our weekly leadership team meetings, or sharing an awesome new idea for building up the faith on campus, we would love for you to get involved.

“Where can I begin?”

† Stop by our **weekly planning meetings on Tuesdays** at 11:30 am in the Interfaith Center. Feel free to bring your lunch, ideas, and open ears to hear what’s in the works.

† Join one of our many committees. If you don’t see something specifically to your interest, we can help you envision something new. Contact the coordinator of the group or activity with any questions.
