

FALL 2005 ENROLLMENT BY SCHOOL AND PROGRAM

Note: For this table, students in dual degree programs or having more than one major are counted in each program. In addition, undergraduates are assigned to schools based on the discipline of their major rather than their college of registration (e.g., undergraduates majoring in Economics are assigned to the Weatherhead School of Management, although they register through the College of Arts and Sciences).

Enrollment by School (dual degree students counted twice):		Full-time	Part-time	Total
Arts and Sciences	Undergraduate	876	30	906
	Graduate Humanities / Social Sciences	148	156	304
	Graduate Math and Science	165	60	225
Applied Social Sciences	Graduate (PhD)	5	47	52
	Professional (MSSA)	257	87	344
