

The Lenore A. Kola Graduate Student Community Service Award

Dr. Lenore A. Kola is an Associate Professor of Social Work at the Mandel School of Applied Social Sciences and former Dean of the School of Graduate Studies (2001-2004). During her time as Dean, Dr. Kola implemented numerous changes in Graduate Studies that have increased services that Graduate Studies provides to its constituents. Dr. Kola also mentored graduate students in the Graduate Student Senate Executive Committee to become more actively engaged in the life of the university. During Dr. Kola's tenure the Graduate Student Senate (GSS) independently launched a "Save the Graduate Dean" campaign when the university leadership was closely examining the need for this position. Dr. Kola's mentoring has encouraged a number of graduate students involved with GSS to give back to the university community which has resulted in a very active GSS that seeks to serve their fellow graduate students on many different levels.

In recognition of Dr. Kola's contributions to the graduate student body and the Graduate Student Senate, The School of Graduate Studies has created The Lenore A. Kola Graduate Student Community Service Award.
