Valda Lewis presented the newly created LGBT Website which will be launched on Tuesday, February 1.

The celebration of the new website will be held on Thursday, March 3, 11:30 to 1:00 p.m. on the main floor of Thwing Center. Gillian Woldorf offered to design the banner for the event. Lynn Singer will contact Events Planning to work on the event and the announcement. Invitations will be made and sent out campus wide via email (contact Paula Baughn). Public Relations should make a statement regarding the event. Local media should be invited to participate.

In solidifying the GLBT presence on campus, the existing committee will continue in the function of oversight of the fledgling state. A new committee should be formed as a steering committee for GLBT. Leadership needs to be selected: two chairs, Anne Duli and Victor Groza were suggested (one for the immediate time and one to take over after the first term has expired). The Center for Women will support the chairs.

The Lavender Ball is being held on April 15 in the Hovorka Atrium. Invitations need to be sent out. Winnie Lai is contacting the student groups.

The Drag Ball is being held on February 25.

The Youth Pride College Fair is set up to market schools. Admissions will be contacted to include Case in the list of participating schools written on the website.
