

CaseFAM Peer Advisor/Peer Manager Nomination Form

CaseFAM is a student-run peer advising program that matches upper class students with first year students in an advising and mentoring relationship. The Program was started as a pilot program in 2004 – 2005. For the 2006-2007 academic year, we are continuing to make the CaseFAM Program an option to all first year students.

We are looking for dedicated, responsible, second and third year students to participate in the CaseFAM Program. These students should be motivated, academically focused, and genuinely interested in helping first year students make a smooth transition to the Case community. Strong applicants will make good academic choices, strive to enhance their own educational experience, know how to explore and utilize all the resources and opportunities that Case has to offer, and value the development of strong bonds and enduring traditions among Case undergraduates.

Do you know a student like this? If so, please do the following:

- ❖ Please direct the student to the CaseFAM Peer Advisor/Peer Manager Application on our website: <http://www.case.edu/provost/ugstudies/casefam/casefam.html> and encourage him/her to apply by **February 28, 2006**.
- ❖ Please complete the Nomination Form below and return it to us at casefam@case.edu or drop it off in the Office of Undergraduate Studies (Sears 357) by **February 15, 2006**.
